PROFESSIONAL EXPERIENCE

TailwindBrace INC

Executive General Assistant 2023 – 2026

Ecommerce company specializing in dog mobility products — worked directly with company leadership across all operations.

- Managed all customer support through email — handling inquiries, issues, and returns end-to-end
- Published and managed Shopify blog content and product pages
- Created and scheduled Klaviyo email campaigns and designed marketing materials
- Assisted company leadership with daily executive and administrative tasks
- Maintained business records, organized data, and supported ongoing operations

Tools: *Shopify, Klaviyo, Canva, Meta Business Suite, Google Workspace, ChatGPT*

Dime Inc. / CurbSide / MeshXE

General VA, Lead Generation & Outreach Specialist 2024 – 2026 *(Project-Based Freelance)*

Supported multiple B2B companies with prospecting, outreach campaigns, and sales support.

- Built targeted lead lists and databases across multiple industries and niches
- Used Apollo.io, Hunter.io, and LinkedIn to identify and qualify decision-makers

- Executed email and social media outreach from initial contact through contract discussions
- Managed follow-ups, lead nurturing, and assisted in closing sales conversations
- Maintained accurate CRM records and campaign tracking via spreadsheets

Tools: Apollo.io, Hunter.io, LinkedIn, Google Sheets, Social Media Platforms

Model AI Factory

AI Content Creator & Social Media Assistant 2024 – 2025

Created AI-generated content and managed digital assets for creator-focused marketing projects.

- Generated AI images and digital content for social media and creator platforms
- Managed creator-focused content workflows, libraries, and publishing schedules
- Assisted with social media account management and content planning

Tools: Higgsfield AI, Wavespeed AI, Canva, ChatGPT

KBA Media

Email Marketing, Lead Generation & Virtual Assistant 2022 – 2023

Supported a growing startup with lead generation, outreach, and general virtual assistance.

- Conducted prospect research and managed email outreach campaigns
- Assisted with email marketing initiatives and helped improve client acquisition
- Organized databases and helped streamline business workflows and operations

Tools: Google Workspace, Email Marketing Tools, Lead Generation Platforms

Pretty Sinners
